

not been promoted to the supervisory or managerial position, unless the agency sets pay at a higher rate under the maximum payable rate rule in §531.221. As provided in subpart D of this part, time served following the promotion may be creditable service towards GS within-grade increases in the lower grade. However, nothing in this paragraph prohibits an agency from taking action against an employee serving under a probationary period under 5 U.S.C. 3321(a)(2) for cause unrelated to supervisory or managerial performance and setting pay in accordance with such action.

(e) *Correcting an erroneous demotion.* When a demotion is determined to be erroneous and is canceled, the agency must set the employee's rate of basic pay as if the employee had not been demoted. The action is a correction of the original demotion action and may not be treated as a promotion under §531.214. For example, when a demotion based on a reclassification of the employee's position is found to be erroneous and is corrected retroactively under 5 CFR 511.703, the corrective action is cancellation of the original demotion.

**§531.216 Setting pay when an employee moves from a Department of Defense or Coast Guard non-appropriated fund instrumentality.**

(a) *General.* This section governs the setting of pay for an employee who moves to a GS position in the Department of Defense or the Coast Guard from a position in a nonappropriated fund instrumentality (NAFI) (as described in 5 U.S.C. 2105(c)) of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days. If an employee moves from a NAFI position to a GS position with a break of more than 3 days or moves from a NAFI position in the Department of Defense or the Coast Guard to a GS position outside of the Department of Defense or the Coast Guard, respectively, the employee has no special conversion rights and this section does not apply.

(b) *NAFI highest previous rate.* For the purpose of this section, the term

“NAFI highest previous rate” means the highest rate of basic pay received by an employee during service in a NAFI position, as described in 5 U.S.C. 2105(c).

(c) *Voluntary move.* (1) For a Department of Defense or Coast Guard employee who moves voluntarily, without a break in service of more than 3 days, from a NAFI position in the Department of Defense or the Coast Guard to a GS position in the Department of Defense or the Coast Guard, respectively, the agency may set the employee's initial payable rate of basic pay at the lowest step rate in the highest applicable rate range currently in effect for the employee's GS position of record and official worksite which equals or exceeds the employee's NAFI highest previous rate of pay, or any lower step rate, except as provided in paragraph (c)(2) or (3) of this section. The employee's initial payable rate of basic pay may not exceed the maximum step rate (step 10).

(2) If the highest applicable rate range would be different if the official worksite for the employee's position of record were located at the place where the employee was stationed while earning the NAFI highest previous rate, the agency must determine the employee's maximum payable rate of basic pay as follows:

(i) Compare the NAFI highest previous rate to the highest applicable rate range currently in effect in the location where the employee was stationed while earning that rate. The highest applicable rate range is determined based on the pay schedules that would be applicable to the employee's current GS position of record if the employee were stationed in that location. Identify the lowest step rate in the highest applicable rate range that was equal to or exceeded the NAFI highest previous rate. If the NAFI highest previous rate is less than the range minimum, identify the minimum step rate (step 1). If the NAFI highest previous rate exceeds the range maximum, identify the maximum step rate (step 10).

(ii) Identify the step rate in the highest applicable rate range for the employee's current official worksite and position of record that corresponds to the step rate derived under paragraph

## §531.217

## 5 CFR Ch. I (1–1–16 Edition)

(c)(2)(i) of this section. That corresponding rate is the maximum payable rate at which the agency may set the employee's pay under this section, except as provided by paragraph (c)(3) of this section. The agency may set the employee's rate of basic pay at any step rate that does not exceed that maximum payable rate.

(3) An agency may choose to apply the maximum payable rate rule in §531.221 based on a non-NAFI rate of basic pay if that rule provides a higher rate than provided by paragraph (c)(1) or (2) of this section.

(d) *Involuntary move.* (1) For a Department of Defense or Coast Guard employee who is moved involuntarily (as defined in paragraph (d)(3) of this section), without a break in service of more than 3 days, from a NAFI position in the Department of Defense or the Coast Guard to a GS position with substantially the same duties in the Department of Defense or the Coast Guard, respectively, the employee is entitled to an initial payable rate of basic pay at the lowest step rate of the grade that is equal to or greater than the employee's rate of basic pay in the NAFI position immediately before the move. If the employee's former NAFI rate exceeds the range maximum, identify the maximum step rate (step 10).

(2) For an employee covered by paragraph (d)(1) of this section, the agency may set the initial payable rate of basic pay at any of the following rates, unless the employee is entitled to receive a higher rate of basic pay under paragraph (d)(1) of this section:

(i) The lowest step rate within the highest applicable rate range for the employee's GS position of record and official worksite that equals or exceeds the employee's NAFI highest previous rate, or any lower step rate (consistent with the method prescribed in paragraphs (c)(1) and (2) of this section);

(ii) A rate determined under the maximum payable rate rule in §531.221 (using non-NAFI rates of basic pay); or

(iii) A rate determined under the authority to grant pay retention in 5 CFR 536.302(a).

(3) For the purpose of this paragraph (d), "moved involuntarily" means the movement of the incumbent of an NAFI position in the Department of

Defense or the Coast Guard with the position when it is moved to the civil service employment system of the Department of Defense or the Coast Guard, respectively.

### §531.217 Special conversion rules for certain non-GS employees.

When an employee moves (without a break in service) to a GS position from a non-GS system under an authority in 5 U.S.C. chapters 47, 95, or similar provision of law, and that authority provides that an employee will be converted to GS-equivalent rates immediately before leaving the non-GS system, the employee is considered a GS employee in applying the provisions of this subpart.

### USING A HIGHEST PREVIOUS RATE UNDER THE MAXIMUM PAYABLE RATE RULE

### §531.221 Maximum payable rate rule.

(a) *General.* (1) An agency may apply the maximum payable rate rule as described in this section to determine an employee's payable rate of basic pay under the GS pay system at a rate higher than the otherwise applicable rate upon reemployment, transfer, reassignment, promotion, demotion, change in type of appointment, termination of a critical position pay authority under 5 CFR part 535, movement from a non-GS pay system, or termination of grade or pay retention under 5 CFR part 536. (NOTE: Special rules for GM employees are provided in §531.247.) A payable rate set under this section must take effect on the effective date of the action involved. This section may not be used to set an employee's rate of basic pay retroactively unless a retroactive action is required to comply with a nondiscretionary agency policy.

(2) At its discretion, an agency may set an employee's rate(s) of basic pay at the maximum rate identified under this section or at a lower rate. However, the employee's rate may not be lower than the rate to which he or she is entitled under any other applicable pay-setting rule.

(3) In applying this section, an agency must use applicable annual rates of
